ACCELERATE Your Wealth

A Practical Guide to Maximizing Your Full-Wealth Potential

with Speaker Philip W. Bodine

JOIN US AND LEARN:

Mr. Bodine is the CEO of Verdeo Financial Insurance Services, Inc., and a Registered Investment Advisor specializing in providing Tax & Estate Planning, Retirement and Investment Services. For 20 years, he has been teaching proven financial strategies which allow his clients to realize their full wealth potential by ensuring the highest and best use of every dollar within their plan.

- How money really is *intended* to work
- How to gain *maximum efficiency* on every dollar you have, *and*
- **What the Banks and your traditional Financial Planner aren't telling you!!**

Has the market *squeezed* dollars from your investments?
Have you been forced to delay your retirement plans?
Do you see your net worth shrinking?

It's time to consider Prosperity Economics and learn the little known secrets to thriving in any market. *One thing is certain, you will never view your house, mortgage, retirement plans, investment and insurance the same way again.*

You Will Learn How To:

- Apply Process vs. Product – Why **HOW** you invest your money is far more important than **WHERE** you invest.
- Understand Average Rates of Return: Why what you are **shown** is typically not what you **get!!**
- Determine if participation in a Roth, IRA, or 401(K) is wise in your circumstances.
- Avoid old-fashioned, ineffective financial planning myths and replace them with powerful wealth strategies.
- Recapture taxes and lost opportunity costs that most people unknowingly lose, and

**ENJOY spending Your Wealth
without fear.**
